The Promised Messiah (on whom be peace) wrote about Divine nearness: 'God Almighty is not deceived, He only makes those His friends who swim in the river of His love naturally like fish, who become His and are completely devoted to obeying Him. A truthful person can never say that everyone apart from God Almighty is impure and neither anyone has been purified nor will be purified. As if God Almighty created His servants in vain. Real spiritual knowledge expresses that it is the way of Allah from the very start with mankind that He has purified those who love Him. Indeed, God Almighty is the fountain of true purity and pureness. God Almighty puts His quality in those who are engaged in His remembrance through zikr, worship and love and thus they also partake this purity in a reflective way; the purity which is inherent in the Being of God Almighty.' حضرت مرزا بشیر الدین محمود احمد، المصلح موعود خلیفۃ المسیح الثانیؒ فرماتے ہیں:

“شادیوں کا معاملہ محبت کی بنیاد کے قیام کے لیے ہے میاں بیوی کی محبت در حقیقت خدا ہی کی محبت کا ظل ہے۔ شادی ایک مدرسہ ہے جہاں خدا تعالیٰ کے عشق کا سبق پڑھایا جاتا ہے... اللہ تعالیٰ نے میاں بیوی کے تعلقات کو اپنی محبت کا ایک نشان قرار دیا ہے... غرض ماں باپ کی محبت خدا تعالیٰ کی محبت کا ایک ظل ہے، بیوی کی محبت بھی خدا تعالیٰ کی محبت کا ظل ہے اور اولاد کی محبت بھی خدا تعالیٰ کی محبت کا ایک ظل ہے... گویا یہ تینوں ایک درس گاہ ہیں جن میں انسان اللہ تعالیٰ کی محبت کا سبق سیکھتا ہے اور دوسروں کو سکھاتا ہے۔“
